Hi David and I just discussed. From a labor perspective at this time we would approach union and offer a resignation settlement in lieu of hearing. I asked David to discuss with Steve tomorrow to ensure that any steps we take with this employee don't further complicate issues on the larger front

Thanks
Marianne

Linda - can you pls coordinate with Labor re: next steps?

Monica Valdes Lupi, JD, MPH
Deputy Commissioner

I received that attached from AD. I have notified Susan who in turn has attempted to contact JN and LH at Lab. Not clear whether the letter was unsolicited or requested. Need to discuss.

Steve
